

PLANNED NEED FOR A SUBSTITUTE:

This protocol should be used if you are aware ahead of time that you will not be able to make your regular, committed hour of Adoration. Please contact the other individual(s) of your hour and let them know you are not able to make a certain day and time. Please verify that at least one other individual from your hour WILL BE at the chapel for the scheduled hour. If your other co-adorers are not available either, first try to find a substitute on your own, then request a sub via the online VSP system.

Here are some ideas to find a substitute:

1. Contact an adorer before or after your time slot to cover your time, or maybe each could take 30 minutes of your hour.
2. Contact someone on the list of substitutes. There are many substitute adorers who are anxious to help. Go to the VSP Web Terminal login page. Click on "Rosters" for a listing with subs. name/number/email
3. Find another regular adorer (friend or acquaintance) who will switch with you.
4. Contact someone else that adores at your hour but on a different day.
5. Ask a family member or good friend to substitute for you and ensure that they know the procedures (door access code, signing in, subs, etc.). This provides them with the gift of a wonderful experience and you with a great evangelization opportunity. This method should also help us to add new adorers in the future.
6. **AFTER** these attempts have been exhausted, it is time to submit an online sub request using the steps on the following page...
